RE: U.S. Patent Application Serial No. 08/303,950
Title: PORTABLE ALARM SYSTEM
Inventors: Hess, Brian K.
Filed: September 9, 1994

Dear Sir:

We have enclosed an Information Disclosure Statement, Form PTO-1499 and copies of the documents listed thereon.

Also enclosed is a postcard to be date stamped and returned to our office.

This information disclosure statement is being filed prior to receipt of the first Official Action on the merits and therefore no filing fee is necessary.

Respectfully submitted,

Jeffrey S. Standley

EXAMINER

Date Considered

Examiner: Initial if citation considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

The identification of any document herein is not intended to be, and should not be understood as being, an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given document may have a later effective date than at first seems apparent or the document may have an effective date which can be antedated. The "prior art" status of any document is a matter to be resolved during prosecution.

Applicant respectfully requests that the documents cited herein be made of record in the normal manner that such documents appear on the printed patent as being considered and made of record.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to Commissioner of Patents and Trademarks, Washington, D.C. 20231 on

Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR §§ 1.97-1.98

As authorized and encouraged under 37 CFR §§ 1.97-1.98 and the provisions of MPEP §§ 609 and 707.05 (b), applicants submit herewith certain patent references, publications and/or other information which the Patent and Trademark Office may wish to consider in examining the above-identified patent application. It is Applicant's opinion that the submitted documents do not adversely affect the patentability of the present invention. The references and information are listed below and on attached form PTO-1449.

U.S. PATENTS

U.S. Patent No.

4,264,899
4,667,188
4,904,983

Shamosh, et al.
Henneberry, et al.
Mehton, et al.
Grimes, et al.

A copy of each document is included for the express purpose of providing the Patent and Trademark Office with ample opportunity to evaluate the same and arrive at an independent assessment of the materiality of each, if any, to the examination of the above-identified application.

In reviewing the enclosed copies of the above documents, the Examiner is instructed to ignore any underscoring or highlighting which may have been done because such markings may or may not have any relationship to the subject matter of the above-identified application. The copies being submitted with this "Information Disclosure Statement" are the best copies available at this time.

The identification of any document herein is not intended to be, and should not be understood as being, an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given document may have a later effective date than at first seems apparent or the document may have an effective date which can be antedated. The "prior art" status of any document is a matter to be resolved during prosecution.

continued . . .

Applicants respectfully request that the documents cited herein be made of record in the normal manner and that such documents appear on the printed patent as being considered and made of record.

Respectfully submitted,
